The draft order on plantations may be accepted subject to the remarks that the sanction may take effect from the date of the order instead of from 7-3-52 as proposed. Even the Inspection H.R.J.C.E. performing special work relating to Jungalbari Project was given the concessions from the date of the order only.

The proposal is that the persons working under the Project may be given the concessions from the same date as the Project. This is quite reasonable. As the persons given the Concessions from 7.3.52, these persons may be given the Concessions from the same date. The draft order (orders) is accepted.
